**Subject:** Addition to Gustav Codes

Make sure that students who come in from Gustav are also coded as homeless. Here are the homeless codes. Remember to code them homeless you have to click on the Programs tab in Student Master. Please make sure to put in this indicator... these students automatically receive free/reduced lunch when means more money for the system. Any questions please call me!

There are four (4) homelessness indicators used to identify primary nighttime residence as authorized by the United States Department of Education:

- 1- Sheltered
- 2- Doubled-up/Unaccompanied Youth (sharing housing with other persons)
- 3- Unsheltered/FEMA (cars, parks, campgrounds without running water/electricity, abandoned building or substandard housing)
- 4- Hotels/Motels
