A Mystery at the Mall

Clothing Worn by the Suspects

The security guard asked Miss Wink if she remembered what each of the suspects was wearing that day in school.

"I most certainly do," she said, and she quickly told the guard that the students were wearing a yellow jacket, a blue jean jacket, a red coat and a tan trench coat. They also were wearing a brown shirt, a green plaid shirt, a white shirt, and an orange sweatshirt.

Solve the logic puzzle to find out what color jacket or coat and what color shirt each suspect was wearing.
