

Cut Out

Complete Metamorphosis

Steps:

1. Cut out the wheel pattern and information cards.
2. Read the cards carefully. Lay them in order on your desk.
3. Glue the cards in order onto the gray boxes around the wheel pattern.
4. Beneath each card, draw and color a picture to match the card.
5. On one side of the blank wheel, draw and color a frog habitat.
6. Place the wheel containing the information cards underneath the wheel with the frog habitat illustration.
7. Insert a brad through the center of both wheels.
8. Slowly turn the wheel and read about the development of a frog.
