Idioms / Figures of Speech

Subject Area: Language Arts, Computer
Grade Level: 2nd - 6th Grade
Software Program: Kid Pix or Kid Pix Studio
(Can be done with any painting and slide show program.)

Equipment Needed:

- Computer(s)
- List of idioms.

Time Required: One 40 minute session.

Instructions:

1. Open a new Kid Pix document.
2. Choose an idiom from the list your teacher gave you.
3. Use the tools and stamps to portray your idiom.

Teacher options:

- Put the student's creations into a slide show. •
- Create slides with "answers" and then put the slide show together in a "guess and check" method.
(Show the idiom slide and then follow it with the "answer" slide.)
