**Subject:** Added Options Code

Coordinators,

We have added a new option code (OM3 Op6 Connections Pathway) to the Student Master. This code is for use with FEB 1 submissions. The definition of this is located on pg 49 of the SIS user's manual:

***6 - Student Enrolled in Connections Pathway: Added to identify students enrolled in the Connections Pathway, the one-year process for overage students to receive targeted instruction and accelerated remediation aimed at attaining a High School diploma, GED, or State-approved Skills Certificate. Also, 8 th grade is required when assigning the option code 6 to a student.***

We have also added option code (OM4 Op7 Skills Certificate after Connections Gateway). This code is for 1112 school year. The definition is located on pg 49 of the SIS user's manual:

***7 - Student Pursuing State-approved Skills Certificate after participation in Connections Pathway: Added to identify students who pursued a State-approved Skills Certificate after participation in the Connections Pathway.***

These changes will be available in tomorrow's update.

If you have any questions please feel free to call me.
