

Software Specifications for New Computers

All computers in purchased in WBR should have the following software packages:

- Microsoft Office (a license should be purchased at the time of acquisition)
- Novell Client
- GroupWise Client
- Internet Browser
- Zenworks

Choosing Software: Additional Purchases

All software purchases must go through an evaluation period unless they are on the software list below. When purchasing software at the school and district level the following procedures must be followed:

1. A WBR Technology Evaluation Form should be completed by the requesting party.
2. The completed WBR Technology Evaluation Form must be sent to the Supervisor of Information Systems and Educational Technology for final approval.
3. The Supervisor of Information Systems and Educational Technology will evaluate the software and approve or disapprove the purchase of the software.

Open Source Software (Free Software)

- Approved instructional software can be found at <http://www.wbrschools.net/technology/opensource.htm>

Software Title Approved by Ad Hoc Technology Committee (February 2004)
