

Technology Integration (As of July 11, 2008)

Free Online Resources

The following resources are made available for WBR Teachers:

- BrainPop
- United Streaming
- My Teacher Center
- EDTECH Database
- Free Online Resources from the State Department

Technology Professional Development

Available technology professional development opportunities can be accessed at:

<http://www.wbrschools.net/tpd.htm>

ISafe

WBR Parish has adopted and utilizes the iSAFE curriculum at all schools in the parish.

- Each school year, all schools are required to teach one lesson per nine weeks on Internet Safety.
- An iSAFE action plan is turned into the Supervisor of Information Systems and Educational Technology each school year.
- Resources are available at <http://www.wbrschools.net/tpd.htm>.

Assistive Technology

Assistive Technology resources can be accessed at <http://www.wbrschools.net/sped/atechnology.htm>.
