

West Baton Rouge Parish School Board announced its policy for school year 2021 – 2022. All enrolled students of West Baton Rouge Parish schools are eligible to receive a healthy breakfast and lunch at no charge to your household each day of the 2021-2022 school year. No further action is required of you.

The United States Department of Agriculture (USDA) issued guidance that allows schools to offer meals to all students at no cost for the 2021-2022 school year. Each cafeteria or central office has a copy of the policy, which may be reviewed upon request.

While no application or eligibility determination process is required for your student to receive free meals this school year, the income eligibility requirement will likely resume in the 2022-2023 school year.
